

# JOB CORPS

## ADVANCED TRAINING

Want to earn great money? Specialized skills lead to higher wages. Job Corps' Advanced Training programs can provide you with the skills you need to make that a reality.

Advanced Training offers additional specialized training and certification in a specific trade to Job Corps students who have completed general trade instruction.

Job Corps Region II offers Advanced Training in the following areas:

### **Earle C. Clements Job Corps Academy / Morganfield, Ky.** Advanced Automotive

*Through a partnership with United Auto Workers (UAW) Labor Employment and Training Corp., Earle C. Clements provides training and placement in high-paying automotive-related jobs. It offers both basic and intensive automotive training, with ASE Master Certifications available.*

### **Roadway Express**

*Roadway Express has partnered with Earle C. Clements Job Corps Academy to offer professional truck driver training, involving both classroom education and hands-on driving instruction from Roadway employees.*

### **Keystone Job Corps Center / Drums, Pa.** Licensed Practical Nurse

*Prepare for a career as a Licensed Practical Nurse through Keystone's one-year Advanced Training program. Gain knowledge through classroom theory, lab practice and clinical experience before taking the state board exam.*

**Success lasts a lifetime.**

**Potomac Job Corps Center / Washington, D.C.**

**Transportation Communications Union (TCU)**

*Transportation Communications International Union (TCU) has partnerships with the multibillion-dollar transportation industry including railroads, mass transit and airline companies. Careers in TCU include rail data entry clerk, airline service worker, information processing specialist, customer service representative and many more.*

**Woodstock Job Corps Center / Woodstock, Md.**

**Culinary Arts**

*Learn the skills needed to become a pantry cook, station cook or food services worker through Woodstock's Advanced Training program. Students receive training in sanitation, standardization, equipment, meal preparation and other areas.*

Additional Advanced Training programs are offered at various Job Corps centers across the country including clerical occupations, AAMCO advanced transmission training, computer support services, plumbing, welding and many more.

For more information about Job Corps, please call your local Job Corps center or the toll-free recruitment line, (800) 733-JOBS.

Job Corps is the nation's oldest and largest federally funded job training and education program for economically disadvantaged youth ages 16 to 24.
